

Isolationist Ottoman

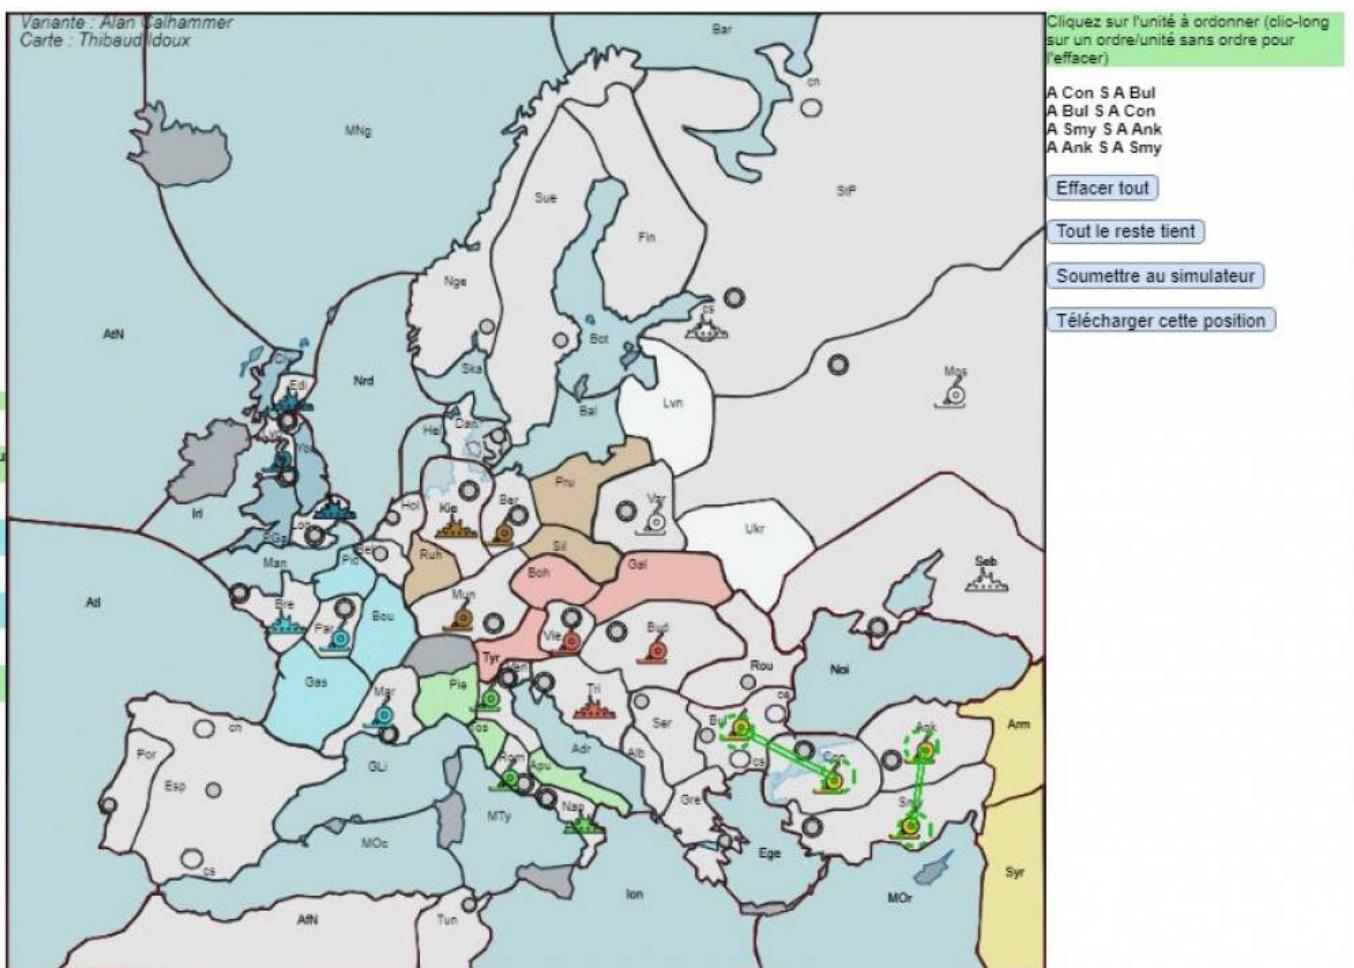

Isolationist Ottoman, also known as Turcvivor or Automatic turc, is a 6-player variant using the standard map.

Creation

- Creator: Gwen Maggi

Context and Philosophy

Designed to allow a 6-player tabletop game using standard cards while maintaining a certain balance. The Isolationist Ottoman pits 7 powers played by 6 players against each other. The seventh power, the Ottoman, is in fact an automaton repeating defensive moves ad libitum.

Powers

- Austria
- England

The Isolationist Ottoman

Perpetual movements are:

A Con S Bul A Bul S Con A Ank S Smy A Smy S Ank If a unit is dislodged, it does not retreat and is dispersed. Defensive movements do not adapt in any way.
